SUPPORTING **Children's**
MINNESOTA

Dear Friends and Supporters of CHA,

You have been in our thoughts and we hope you are well. The health of the children and families we serve as well as our supporters and volunteers are our top priorities. Since our founding, CHA has remained resolute to providing healing and hope in rare and challenging circumstances.

That's why it's critical we do our part to prevent the transmission of COVID-19 and continue to support the children and families we serve at Children's Minnesota.

- CHA's mission remains strong: to continue supporting the children, families, and front-line staff at Children's Minnesota. The support we raise for the programs that make our clinics and hospitals a safe haven are vital to helping ensure each family can weather the worst of storms. We know these are challenging times, but that is why your generous support is more important than ever.
- Children's Minnesota and the Minnesota Department of Health has made the recommendation that all gatherings of 50 or more individuals occurring within the next eight weeks be cancelled or postponed. We are assessing all options for meetings and events. More information will follow within the coming days.
- Everyone's safety and health are important. All CHA Board and Guild members are asked to abstain from visiting any of the Children's Minnesota campuses. If for any reason you need something from the CHA Office, we'll work to make alternate arrangements to meet your needs.
- To protect one another and our community, CHA staff are working from home during regular office hours but holding truncated, in-office hours on an as-needed basis. Please visit our Facebook and Web Pages for further updates.

I want to thank you all personally for working with us to support our community during this difficult time. We are sending each of you thoughts of peace, strength, and encouragement in the coming days. Please feel free to contact us with any questions.

Sincerely,

A handwritten signature in blue ink that reads "Erin Bursch".
